# Band Biography

Pat Degagne (Lead Vocal & Rhythm Guitar) and Colin Baird (Backup Vocal & Lead Guitar) started OFFROAD in 2004. The intent was to create a country & rock cover band that would play at local bars, dances and weddings. From its very first performance the band became a hit.

As the years went by, the band played shows in the Deep River and Pembroke area. After writing their own songs, Pat and Colin decided to play summer festivals, eventually hiring on Eric Degagne (Backup Vocal & Keys), Steve Panke (Backup Vocal & Bass) and Tom Martel (Drums). With its new sound, the band now plays up and down the Ottawa Valley through to North Bay ON.

OFFROAD has played with celebrity musicians like: Ben Rutz (fiddle player for *Johnny Reid & Terry Clark*), Canadian fiddle champ Louis Schryer, and local legend SAB. They even had the *TRAVIS TRITT* band come up and play two full sets at a gig in May 2012. The Band opened the Deep River Summerfest main stage for acts including *The Wilkinsons*, *Daniel Langlois*, and *54-40*. OFFROAD is currently working on an original CD written by Pat Degagne and Colin Baird.

**BIO**

# **PAT DEGAGNE**

**(Lead Vocal & Rhythm Guitar)**

Pat grew up in Astorville, ON, a small town 15 minutes south of North Bay ON. He began playing guitar and singing at the age of six. At sixteen he started up a band playing local dances and pubs. In his early twenties he moved to Deep River where he met Colin Baird (Lead Guitar) and in 2004 started OFFROAD. He has played many festivals, weddings and clubs in the Ottawa Valley and returns to his roots in the North Bay area several times a year for shows. With a skill for entertaining he makes the audience want to party. His many years of performing have built up an endless bank of country and rock songs ranging from *George Jones* to *The Tragically Hip* as well as a few originals of his own. Young and old are sure to have a good time.

# **COLIN BAIRD**

**(Lead Guitar&Backup Vocal)**

Colin grew up in Deep River, ON. Through his teenage years he never left home without a guitar. His love for rock music had him learning all of the standard riffs of the 70's and 80's era. He played in high school bands then moved to Toronto for his college years where he continued to play in bands honing his guitar skills. In 2003 he was approached by Pat Degagne to start up a band which later became OFFROAD. A rock guitar player in a country band setting, Colin soon developed a love for the music. His accurate leads are one of the traits that define OFFROAD.

From Astorville, ON, Eric has been playing alongside his older brother Pat since they had their first band. He started so young that he would have to be snuck in and out of the bar between sets. Having joined OFFROAD in 2011 the rich vocals and harmonies have never sounded better. Eric also brings the harmonica and keyboard to complete OFFROAD's mix. The brothers' stories and comedy routine is sure to keep the crowd entertained between songs.

In the background, there are stage lights and a microphone stand. The word "BIO" is written in large, yellow, stylized letters in the top left corner.

**STEVE PANKE**  
(Bass Guitar & Backup Vocal)

From Eganville, ON, Steve has played for as long as he can remember. After filling in for two gigs in 2011, he quickly became an important part of OFFROAD. His bass playing, singing, sense of humour, and ability to interact with the crowd complements the rest of the band. Steve brings along an extremely large background of live performance experience. He has played all across Ontario, and when you see him on stage there is no doubt that this seasoned professional loves what he does.

## **TOM MARTEL**

### **(Drums & Percussion)**

**Born and raised in Windsor ON, Tom moved to Wilno ON, in 1998. He joined OFFROAD in 2010. Tom backed up acts like Juno Award Winner Jack Dekeyser and Freddy Roulette. He's also toured with the *Grievous Angel Show (The Legend of Gram Parsons)* in Northern California, Seattle Washington and Melbourne Australia. His style of playing and lively personality makes the bands rhythm section rock solid. Judging by the smile on his face while playing, it's easy to see that he loves what he is doing.**
